Criss Cross Console Table

The Criss Cross Console scales the crossed X-frame of its side table sibling to full console length, where two pairs of tapering steel legs meet at the midpoint with the graphic clarity of industrial engineering elevated to high design.

Rooted in the campaign furniture tradition, X-frames engineered for architects, military commanders and explorers for centuries, the form here is stripped of ornament and resolved in hand-forged flamed bronze.

The limestone top sits above with quiet authority, its warm, pale surface a perfect foil to the dark, complex tones of the metalwork.

All pieces from our Somerset studio, are handmade to order to your exact specifications and available in bespoke sizes with a choice of finishes and tops.

* Dimensions are provided as a guide, all Adam Williams Design products are made by hand and variations may occur in some products. **Lead Time:** Approx. 8 weeks
