De Vere Drawers

The De Vere Console with Drawers takes the cabriole leg at full console width in hand-forged flamed bronze steel, creating sweeping, uninterrupted elegance. The four outward-swelling, inward-tapering forms work together in a composition of classical confidence and considerable presence.

Beneath the stone top, dark walnut drawers with bronze handles provide practical storage while maintaining the sculptural integrity of the base. The flamed bronze finish catches the light with warmth that shifts from bright, burnished tones to deeper, complex hues, giving the piece the quality of something genuinely antique. The Jura Beige stone top completes the pairing with warm sandy tones and natural beauty in perfect harmony with the bronzed base.

Handmade to order to your exact specifications. Available in bespoke sizes with a choice of finishes and tops.
