Demi Lune Console Table

The Demi Lune Console explores how little structure a console table actually needs. Four legs of implausible slenderness taper to fine points at the floor, carrying a full limestone top with confidence that defies expectation. The semicircular form is a classical shape, gentle and unhurried, elevated to contemporary elegance by the extraordinary delicacy of the base beneath it.

A fine hammered texture runs the length of each leg and around the curved apron, catching the flamed bronze finish with warmth and subtlety that shifts beautifully in changing light. A bespoke console table of rare elegance and remarkable technical achievement.

All pieces from our Somerset studio, are handmade to order to your exact specifications and available in bespoke sizes with a choice of finishes and tops.
