Blenheim Side Table

The Blenheim Side Table takes its name from one of England's great baroque palaces, where grandeur comes from proportion rather than excess. The design follows that discipline: a slim rectangular frame of four straight legs and a clean apron, each surface hand-hammered to an allover mottled texture that catches the light.

The frame is finished in Blenheim Gold, a warm tone with the depth of aged gilding. A dark wood top sits above it, its deep brown grain a perfect foil to the metalwork. Sold singly or as a pair, it makes a striking statement beside a sofa or fireplace.

All pieces from our Somerset studio, are handmade to order to your exact specifications and available in bespoke sizes with a choice of finishes and tops.
