## Embrace Side Table Nest

Our Embrace Nesting Side Tables from the Howes & Landino Collection are unique side tables that nest with a hand finished steel base and stone table tops.

Further realising the jewellery-inspired concept, the collection's surfaces are offered in a curated selection of materials, including Arabescato Verdi and Ivory Onyx marble, and bespoke finishes developed by Anka Bespoke, such as starburst timber veneer and liquid metal. These luxurious options allow you to customise your tables for a truly unique, tailored look.

All pieces from our Somerset studio, are handmade to order to your exact specifications and available in bespoke sizes with a choice of finishes and tops.
